**To:** Morgan Baumgartner  
**Subject:** Draft

Please understand that neither Rossi nor the LVCVA Board of Directors have made any decision regarding the advertising contract. The draft of the advertising contract is a general template that may be used for advertising contracts regardless of the vendor. My previous e-mail in no way indicates that R & R will be awarded the contract. The LVCVA Board of Directors, in a public meeting, will decide what company is awarded the advertising contract.
