Jim,

Thanks for the information. We had also discussed getting documentation that **showed** Billy as the sole owner of Airwave.

In addition, I failed to mention in our conversation that I have the same questions about R&R Live in regards to the relationship with R&R. Could you please provide information on the specifics of that relationship too.

John,

Attached is our most recent filing of officers and directors of AirWave. In the past, Don Turley was listed as a officer and I am not sure why he wasn't on the list this year since he is the manager of that entity. We will be adding him. Let me know if you have any further questions.
