RE: WORKPLACE VACCINATIONS

Dear Mr. Socha:

The Southern Nevada Health District is able to provide vaccinations to staff of MGM Resorts Health Plan. These services can be performed at SNHD by appointment, or a site visit can be scheduled at the company's place of business. The fees for these services are as listed below:

Set up fee for each site visit	\$100.00
Hepatitis B 1 st injection	\$55.00 + \$16.00 Administration Fee per person
Hepatitis B 2 nd injection	\$55.00 + \$16.00 Administration Fee per person
Hepatitis B 3 rd injection	\$55.00 + \$16.00 Administration Fee per person

Please have each employee make an appointment by calling 759-0878. Provide each employee with an authorization letter, appropriately dated, on letterhead and naming the employee. A sample of an authorization letter is included. Your employee must have an appointment and must bring this letter in order to receive services.

A notification letter of any employee termination must be on file with SNHD to prevent administration of vaccines to persons no longer authorized to receive vaccines at your company's expense. Your company will be responsible for payment of the above vaccines administered to individuals who have terminated employment, but the SNHD has not received notification of such termination.

If you have any questions, please contact Rae Hannah, Workplace Vaccination Program Administration Assistant, at 759-0878.

If the above stated terms are acceptable, please sign below, retain one copy and return the other copy to Southern Nevada Health District, Attn: Marlene Kolcius, Grant Analyst, Financial Services, P. O. Box 3902, Las Vegas, NV 89127.

A copy of this fully signed Agreement must be on file before SNHD will provide the services.

Sincerely,

[Redacted Signature]

Scott Weiss
Director of Administration
