Subject: Re-Elect Deanna Wright

Good Evening Friends,

The school year is under way, the weather is cooling down, but the campaign vibe is heating up as we prepare for November 6.

Looking back over the past four years, it is amazing to see how much was accomplished by our School Board of Trustees and how hard they worked for our kids and teachers during very trying economic times. That includes Deanna Wright, our trustee from District A.

But now, six weeks from Election Day, Deanna is in a tough fight to win re-election.

Her not winning re-election is simply not an option.....for kids, parents, teachers and administrators. This is not the time to move backwards! We have come too far and need to continue the fight for our children and our community.

Here is what you can do to help. Join us for a canvassing effort where we encourage and educate people on the importance of this race and Deanna's accomplishments. We are creating teams for each Saturday starting with September 29th.

Please email back whether or not you are available to help walk with us to encourage voters to support Deanna for Re-Election. Based on your reply, we will organize teams. We promise it will be fun :)

CCSD is currently ranked lowest in the nation, but it doesn't have to be that way forever! Parents and voters can make a huge difference.
